Foxfield offers a resident summer camp for girls age 9 through 17. This year we have five two-week sessions that run from June 20th through August 27th.

Work at the camp is demanding. Some of the things required of counselors are:

- 1) enjoyment of, and ability to work well with, children 24 hours per day.
- 2) a strong sense of safety and responsibility for the campers, horses and the traditions of Foxfield.
- 3) a neat, clean and wholesome appearance. (This includes single button earrings only, minimal make up and hair pulled back. We emphasize a conservative, wholesome appearance here. Please apply only if you feel you can comply with our dress code.)
- 4) the ability to be well organized and on time.
- 5) a good sense of humor and fun.

Camp counselors do a fair amount of rather tedious and unglamorous work, such as cleaning up the barn, working in the kitchen and "pool duty." Each counselor shares a room and bathroom with six campers, and has one day and two evenings off each session. The salary is \$550.00 per session. We prefer that our counselors work for at least two consecutive sessions. Please indicate which sessions you wish to work.
