Barn News

Holiday Show... We had a great turn-out for our 43rd Annual Holiday Show and the weather was perfect. Please see page 2 for championships. We would like to thank **Karen Cormier** and **Krista Gosland** for manning the Horse Show Office and **David Aucoin** and **Oliver Glover** for doing a great job of announcing. We would also like to comment on one special competitor. **Lauren Bell** was the *only* one who attempted to jump the Christmas tree in Gamblers Jumpers and she did it twice – cleanly! It was so much fun to watch! There were a couple of other special moments. **Jhilla Khorsheed** won the Pony Jumper class with *Cocopuff on the wire* and **Jessie White** pulled Dutch out of retirement to win the 3' Open Jumpers class. Boy, did he ever have fun!

Taylor Simonian could only make it to one class in the show (which she won) because she attended the SFHJA Awards Banquet at Santa Anita Park. We would like to thank **Kristy** and her for bringing back awards and programs. Year-end results for all the associations are listed on page 2.

Show riders... Don't forget to register in the horse show associations for 2012. If you have questions or need forms, contact the office.

Blast from the past... LAHJA published a list of past Medal Finals Champions in the LA Preview prize list and we are proud that Foxfield was well represented. In 1973 **Erica Petal** won the Junior Medal Finals, followed in 1993 by **Jaime Krupnick**. In the Senior Medal Finals we had champions four years running, beginning in 1992: **Barbi McCoy**, **Holly Scapa**, **Jenny Ross** and **Jaime Krupnick**. **Hannah Selleck's** beloved pony, "First Impression," took the top prize in the 2000 Pony Medal Finals.

Thank you... **Mikey Rosberg** and Quinn want to thank all of those who have helped them this past month while Mikey was recuperating from her fall. So many friends cared for Quinn while Mikey was unable to do so. THANK YOU!

More thanks... **Alice and Peggy Neary** would like to thank **Lorri Aucoin** for doing so much to help them care for Sawyer and his infection. It was above and beyond the call of duty!

IEL #3... Unfortunately we had to pull out of the last IEL show due to an EHV-1 scare in Orange County. We made the decision not to attend based on the advice of our veterinarian and apologize if it created problems for anyone. Please understand that the welfare of the horses had to be our first concern.

New Leases/Horses

Please welcome **Danika Schmitz** and her Icelandic Pony, "Comet," to Pony Island.

Ill & Injured

Annette Bradley's husband, **David**, was hospitalized at the end of the month after suffering a stroke. Our prayers are with him and his family as he recovers.

Sympathy

We lost a very dear friend when **Toni Berliner** passed away on January 30th. Our sympathy goes out to her family.

We extend our sympathy to **Janie, Billy and Susie Postel** on the loss of the wonderful "Buckley." He was a perfect school pony for the few lucky kids who got to ride him and an exceptional drill horse. Foxfield was very fortunate to have him for such a long time and will always miss him.
